COMPENSATION FOR SERVICES RENDERED AND FOR  
REIMBURSEMENT OF ACTUAL AND NECESSARY EXPENSES  
INCURRED FROM OCTOBER 1, 2011 THROUGH MARCH 6, 2012**

Gibson, Dunn & Crutcher LLP (“Gibson Dunn”), a professional providing services to Lehman Brothers Holdings, Inc. (“LBHI”) and its affiliated debtors in the above-referenced chapter 11 cases, as debtors and debtors in possession (collectively, the “Debtors”), files pursuant to sections 330(a) and 331 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), this application (the “Application”) for interim allowance of compensation for professional services performed by Gibson Dunn for the period from October 1, 2011 through March 6, 2012

(the “Compensation Period”), and for reimbursement of its actual and necessary expenses incurred during the Compensation Period. Gibson Dunn respectfully represents:

### **JURISDICTION**

1. This Court has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334. Consideration of this Application is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue of this case is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409, respectively. The statutory predicates for the relief requested herein are sections 330 and 331 of the Bankruptcy Code.

### **GENERAL BACKGROUND**

2. Commencing on September 15, 2008 and periodically thereafter (as applicable, the “Commencement Date”), LBHI and certain of its subsidiaries commenced with this Court voluntary cases under chapter 11 of the Bankruptcy Code. The Debtors’ chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

3. On September 17, 2008, the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed the statutory committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Creditors’ Committee”).

4. On September 19, 2008, a proceeding was commenced under the Securities Investor Protection Act of 1970 (“SIPA”) with respect to Lehman Brothers Inc. (“LBI”). A trustee appointed under SIPA (the “SIPC Trustee”) is administering LBI’s estate.

5. On January 19, 2009, the U.S. Trustee appointed Anton R. Valukas as examiner in the above-captioned chapter 11 cases (the “Examiner”) and by order, dated January 20, 2009 [Docket No. 2583] the Court approved the U.S. Trustee’s appointment of the Examiner.

6. On April 14, 2010, the Debtors filed a revised joint chapter 11 plan (the “Plan”) and disclosure statement (the “Disclosure Statement”) [Docket Nos. 8330 and 8332].

7. Gibson Dunn began performing legal services on behalf of the Debtors as an Ordinary Course Professional pursuant to this Court’s *Order Pursuant to Sections 105(a), 327, 328, and 330 of the Bankruptcy Code Authorizing the Debtors to Employ Professionals Utilized in the Ordinary Course of Business*, dated November 5, 2008 [Docket No. 1394] (the “OCP Order”). In accordance with the procedures set forth in the OCP Order, such retention became effective *nunc pro tunc* to September 15, 2008 upon the filing of the affidavit of Jesse Sharf [Docket No. 2444] and the expiration of the relevant objection period. Subsequently, Gibson Dunn was retained as special counsel pursuant to section 327(e) of the Bankruptcy Code *nunc pro tunc* to September 1, 2009 pursuant to this Court’s *Order Pursuant to Section 327(e) of the Bankruptcy Code Authorizing the Employment and Retention of Gibson, Dunn & Crutcher LLP, As Special Counsel to the Debtors, Nunc Pro Tunc to September 1, 2009* [Docket No. 9857].

**SUMMARY OF PROFESSIONAL COMPENSATION  
AND REIMBURSEMENT OF EXPENSES REQUESTED**

8. This Application is Gibson Dunn’s seventh application for interim compensation and reimbursement of expenses as a 327(e) professional in these chapter 11 cases.

9. Gibson Dunn prepared this Application in accordance with the *Amended Guidelines for Fees and Disbursements of Professionals in Southern District of New York Bankruptcy Cases*, adopted by the Court on April 19, 1995 (the “Local Guidelines”), the *United*

*States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330*, adopted on January 30, 1996 (the “UST Guidelines”), this Court’s *Third Amended Order Pursuant to Sections 105(a) and 331 of the Bankruptcy Code and Bankruptcy Rule 2016(a) Establishing Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals* [Docket No. 4165] (the “Interim Compensation Order”), and this Court’s *Order Appointing Fee Committee and Approving Fee Protocol* [Docket No. 3651] (the “Fee Protocol Order,” and together with the Local Guidelines, the UST Guidelines, and the Interim Compensation Order, the “Guidelines”). Pursuant to the Local Guidelines, a certification regarding compliance with the Guidelines is annexed hereto as Exhibit A.

10. Gibson Dunn seeks allowance of interim compensation for professional services rendered to the Debtors during the Compensation Period in the amount of \$500,155.96<sup>3</sup> and for reimbursement of expenses incurred in connection with such services in the amount of \$3,818.08. During the Compensation Period, Gibson Dunn attorneys and paraprofessionals expended a total of 628.60 hours for which compensation is requested.

11. There is no agreement or understanding between Gibson Dunn and any other person for the sharing of compensation to be received for services rendered in these cases.

12. Gibson Dunn’s fees in these cases are billed in accordance with its existing billing rates and procedures. The rates Gibson Dunn charges for the services rendered by its

---

<sup>3</sup> Although some of Gibson Dunn’s services were billed in GBP, all amounts have been converted into U.S. Dollars using the exchange rate that was in effect as of February 29, 2012 of USD 1.5918 per GBP 1.00.

professionals and paraprofessionals in these chapter 11 cases are the same rates Gibson Dunn charges for professional and paraprofessional services rendered in comparable non-bankruptcy matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive international legal market.

13. Save as described below, Gibson Dunn did not take any voluntary reductions or writeoffs with respect to this Application. As discussed below, the variations between the amounts requested in the monthly fee statements and the amounts requested in the Application are the result of Gibson Dunn's quality control efforts to ensure that the bill properly reflects the amount of compensable work actually performed for the estates. While not a reduction or writeoff, Gibson Dunn has discounted the amounts billed to the "Suncal General" Matter (Matter # 00280, discussed below) by 51%, which reflects the fact that the Debtor entities only provided 49% of the funds involved in the matter. In addition, Gibson Dunn did deduct in this Application 71.1 hours, which amounts to \$36,335.12, from the time billed in the monthly fee statements for time that was billed to internal billing matters and the preparation of monthly fee statements because such time is not billable under the UST Guidelines.

14. Pursuant to the UST Guidelines, annexed hereto as Exhibit B is a schedule setting forth: (a) all Gibson Dunn professionals and paraprofessionals who have performed services in these chapter 11 cases during the Compensation Period; (b) the capacities in which each such individual is employed by Gibson Dunn; (c) the department in which each such individual practices; (d) the hourly rate charged by Gibson Dunn for services performed by each such individual; (e) the aggregate number of hours expended by each such individual on behalf of the

Debtors during the Compensation Period and (f) the year in which each professional was first licensed to practice law.

15. Annexed hereto as Exhibit C is a schedule specifying the categories of expenses for which Gibson Dunn is seeking reimbursement and the total amount of reimbursement requested for each such expense category.

16. Pursuant to the UST Guidelines, annexed hereto as Exhibit D is a summary by project category of the services performed by Gibson Dunn during the Compensation Period.

17. Gibson Dunn has attempted to include in this Application all time and expenses relating to the Compensation Period. However, delays in processing such time and receiving invoices for certain expenses may occur. Accordingly, Gibson Dunn reserves the right to supplement this Application prior to the date set by this Court for hearing this Application to request additional compensation for professional services rendered and reimbursement of expenses incurred during the Compensation Period.

18. Gibson Dunn maintains computerized records of the time spent by all Gibson Dunn attorneys and paraprofessionals in connection with its representation of the Debtors. Subject to redaction for attorney-client privilege where necessary to protect the Debtors and their estates, copies of such computerized records for the Compensation Period are attached hereto as Exhibit E, copies of Gibson Dunn's disbursement records for the Compensation Period are annexed hereto as Exhibit F. Pursuant to a request by the Fee Committee, Gibson Dunn maintains records tracking the total time spent by each individual Gibson Dunn attorney and paraprofessional on a particular matter for the Compensation Period, copies of Gibson Dunn's records tracking the total amount of time spent by each individual Gibson Dunn attorney or paraprofessional are annexed here to as Exhibit G.

19. Pursuant to a request by the Fee Committee, annexed hereto as Exhibit H is a chart comparing (i) the amount for each monthly fee statement billed in USD for time originally billed in GBP and converted to USD using the conversion rate on the last day of each month to (ii) the amount for this Application billed in USD for time originally billed in GBP and converted to USD using the conversion rate on the last day of this Compensation Period. Given the strengthening of the GBP in relation to the USD at the end of the Compensation Period, Gibson Dunn now requests \$4,196.72 of additional compensation; this increase is in accordance with procedures discussed with the Fee Committee. To put this in perspective, Gibson Dunn previously voluntarily reduced its fees for its sixth application by \$13,644.26 as a result of a weakening of the GBP in relation to the USD.

20. Pursuant to a request by the Fee Committee, for those professionals that have hourly billing rates in both USD and GBP, Gibson Dunn used the cheaper of the two rates, converted to dollars, for calculating fees relating to such professionals' work. Annexed hereto as Exhibit I is a chart illustrating the savings to the Debtor as a result of Gibson Dunn using the lower hourly billing rate over the Compensation Period for professionals that have both a USD and GBP hourly billing rate. Rates originally in GBP and converted to USD were lower than rates originally in USD. As shown on Exhibit I, the Debtor saved \$895.83 because of Gibson Dunn's practice of using the lower rate for professionals that have both a USD and GBP hourly rate.

**ALLOWANCE OF COMPENSATION**

34. Section 331 of the Bankruptcy Code allows a bankruptcy court to authorize interim compensation for "[a] trustee, an examiner, a debtor's attorney, or any professional person employed under section 327 or 1103 of this title . . . not more than once every 120 days after an order for relief in a case under this title...."

35. Section 330 of the Bankruptcy Code authorizes the bankruptcy court to award a trustee, examiner, ombudsman or professional employed pursuant to 11 U.S.C. § 327 reasonable

compensation for services and reimbursement of expenses. Specifically, section 330 of the Bankruptcy Code provides as follows:

(a)(1) After notice to the parties in interest and to the United States Trustee and a hearing, and subject to sections 326, 328, and 329, the court may award to a trustee . . . or a professional person employed under section 327 or 1103 —

(A) reasonable compensation for actual, necessary services rendered by the trustee, examiner, ombudsman, professional person, or attorney and by any paraprofessional person employed by any such person; and

(B) reimbursement for actual, necessary expenses.

11 U.S.C. § 330(a)(1).

36. Section 330(a)(3) of the Bankruptcy Code provides that in determining the amount of reasonable compensation to be awarded, the Court should consider the nature, extent, and value of the services rendered to the estate, taking into account all relevant factors, including:

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable, based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)(A)-(F).

37. As analyzed below, Gibson Dunn submits that the elements governing awards of compensation justify the allowance requested.

**(1) The Time and Labor Required**

38. During the Compensation Period, 628.60 recorded hours have been expended by Gibson Dunn's partners, counsel, associates and paraprofessionals in providing the requested professional services. Exhibits B, D, and E attached hereto detail the time and labor expended by Gibson Dunn on behalf of the Debtors. Gibson Dunn has made every effort to coordinate its efforts with those of the Debtors' bankruptcy counsel so as to avoid any duplication of efforts. The number of hours spent by Gibson Dunn is commensurate with the defined tasks Gibson Dunn has performed.

**(2) The Rates Charged for Such Services**

39. During the Compensation Period, Gibson Dunn's hourly billing rates ranged from \$910.00 to \$1,074.47 per hour for partners, \$430.00 to \$692.43 for staff attorneys, of counsels and associates, and \$245.00 to \$294.48 for paraprofessionals. Based on the recorded hours expended by Gibson Dunn's attorneys and paraprofessionals, the billing rate for Gibson Dunn's services was \$795.67.

40. The amounts charged to the Debtors for the particular services rendered approximate the rates charged other clients of Gibson Dunn for such services. Indeed, if the firm's retention in these matters were not pursuant to the Bankruptcy Code, Gibson Dunn would charge the Debtors and expect to receive, on a current basis, an amount at least equal to the amounts requested herein for the professional services rendered.

41. In connection with the provision of its legal services, Gibson Dunn has sought, within the parameters required for effective legal representation, to minimize legal expenses.

Moreover, consistent with its belief that strict fee management inures to the benefit of the Debtors, their creditors, the Court, and ultimately the public, Gibson Dunn diligently monitored the integrity of its bills. Gibson Dunn carefully reviewed the entries of all professionals and paraprofessionals who worked on these cases to determine the reasonableness of the monthly totals for services rendered.

**(3) The Necessity of the Services and the Benefit to the Estate**

42. As detailed above, the services Gibson Dunn provided to the Debtors have conferred substantial benefit on the Debtors' estates. Gibson Dunn's services to the Debtors have also served the desired goal of allowing for continuity of service in these non-bankruptcy matters. This has allowed Debtors' bankruptcy counsel to focus on issues more closely related to the reorganization of Debtors' operations.

**(4) Customary Compensation**

43. Gibson Dunn relies on the Court's experience and knowledge with respect to the compensation awards in similar cases. Given that frame of reference, Gibson Dunn submits that, in light of the circumstances of the case and the substantial benefits derived from Gibson Dunn's assistance, compensation in the amount requested is fair and reasonable.

**(5) Whether Services Were Performed In a Reasonable Amount of Time**

44. Gibson Dunn represents and can demonstrate to this Court that the services were performed in a reasonable amount of time, given the complexity of the issues involved and the many and varied legal issues facing the Debtors. Gibson Dunn's detailed and thorough contemporaneous time records demonstrate that the time expended on various tasks was necessary and appropriate to the vigorous representation of the Debtors. From the earliest stages of Gibson Dunn's involvement in the case, every attempt was made to limit the hours worked to

the lowest amount feasible, and to avoid duplication of effort and other unnecessary costs. On occasion, Gibson Dunn attorneys rendered services on behalf of the Debtors under time constraints. Moreover, during the Compensation Period, Gibson Dunn attorneys were required to perform services on behalf of the Debtors to the preclusion of other firm matters and clients.

**(6) Board Certification**

45. Because the services provided by Gibson Dunn were, by design, primarily non-bankruptcy in nature, Gibson Dunn submits that board certification in bankruptcy law is not a particularly relevant factor. In preparing this fee application and when otherwise appropriate, however, the Gibson Dunn attorneys performing services for the Debtors did employ the assistance of experienced attorneys in Gibson Dunn's bankruptcy department.

**(7) Whether Compensation is Reasonable**

46. Gibson Dunn's services have been rendered in a highly efficient manner by attorneys who have achieved a high degree of expertise in their respective fields. The skill and competency of the Gibson Dunn attorneys who have represented the Debtors are amply demonstrated by the results achieved in these cases. Gibson Dunn's highly professional and expert group of attorneys has ensured that the representation of the Debtors has progressed in an efficient and expeditious manner.

47. Gibson Dunn thus represents and can demonstrate that the compensation sought for the services rendered and expenses incurred in connection with these chapter 11 cases is reasonable and commensurate with those rates charged by comparably skilled practitioners.

48. Gibson Dunn's fee request is based upon the normal hourly rates that Gibson Dunn charges its non-bankruptcy clients. Taking into consideration the time and labor spent, the

nature and extent of the representation, and the nature of these proceedings, Gibson Dunn believes the allowance asked is reasonable.

49. Based upon Gibson Dunn's blended hourly rate of \$795.67 for professionals (including paraprofessionals) and \$825.79 (excluding paraprofessionals), Gibson Dunn submits that its rates are comparable to those prevailing in the relevant international market. Therefore, Gibson Dunn's fees are fair and reasonable.

50. Based on the factors to be considered under sections 330 and 331 of the Bankruptcy Code, the results Gibson Dunn has achieved to date more than justify allowance in full of Gibson Dunn's compensation and reimbursement request.

#### **DISBURSEMENTS**

51. For this Compensation Period, Gibson Dunn requests reimbursement of \$3,818.08 for reasonable and necessary out-of-pocket expenses incurred on behalf of the Debtors. Exhibit C attached hereto is a summary of such expenses, and Exhibit F attached hereto details each of the actual expenses incurred by Gibson Dunn on behalf of the Debtors during the Compensation Period. Each of the charges reflected on Exhibits C and F is based on the actual and necessary expenses incurred by Gibson Dunn, in the exercise of reasonable discretion, on behalf of the Debtors.

52. Gibson Dunn's normal billing rates do not take these expenses into consideration. Rather, Gibson Dunn bills each expense to the applicable client. A prime example of the rationale for such an approach is photocopying expense. Because of the great disparity between the photocopying requirements of different clients, it is virtually impossible to absorb photocopying costs fairly and equitably into Gibson Dunn's normal billing rates. Accordingly, Gibson Dunn charges each client for photocopying expenses separately. Photocopies are billed

at \$.10 or £.07 per page (as applicable). Similarly, Gibson Dunn charges each client separately for telephone, postage, overnight courier, travel expenses, computerized legal research, and messenger services, in each case at Gibson Dunn's cost. Gibson Dunn does not charge for incoming or outgoing facsimile transmissions.

53. Gibson Dunn does not include the amortization of the cost of any investment, equipment, or capital outlay in its charges for these services.

54. Any services billed by a third party vendor, with the exception of certain computerized research charges, are charged to the Debtors in the precise amount billed to and paid by Gibson Dunn. Like many large law firms, Gibson Dunn has negotiated a special arrangement with computerized research companies under which Gibson Dunn pays a flat rate monthly fee for computerized research services. Consistent with its general policy of billing out-of-pocket expenses only to clients for whom the use of such services is required, Gibson Dunn separately charges each client for computerized research. To account for such charges and pass through Gibson Dunn's cost savings resulting from its special arrangements, Gibson Dunn charges those clients for whom such services are required up to eighty percent of the rates charged by the computerized research company to the general public for such services. These charges are intended to cover Gibson Dunn's direct costs for computerized research. A determination of Gibson Dunn's actual direct cost for computerized research, however, is dependent on both the volume of the research performed and the total expenses attributable to such research on an annual basis. As a result, it is possible that Gibson Dunn will ultimately realize a discount greater than the twenty percent or more passed on to the client.

55. Gibson Dunn has made reasonable efforts to minimize its disbursements in these cases. Each of the expenses incurred by Gibson Dunn in providing professional services to the

Debtors was necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors, their estates, and creditors.

WHEREFORE, Gibson Dunn requests that allowance be made to it in the sum of \$500,155.96 as compensation for necessary professional services rendered to the Debtors for the Compensation Period, and the sum of \$3,818.08 for reimbursement of actual necessary costs and expenses incurred during that Period, and further requests such other and further relief as this Court may deem just and proper.
